## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 11-12, 14, 16, 21-32, are rejected under 35 U.S.C. 102(b) as being anticipated by Hirose. Hirose shows an elongated straddle type seat (10,32) supporting a first portion of a track assembly (48) while a body (34) including a backrest (40) supports a second portion of a track assembly (58), whereby the backrest covers the track assembly in all positions of the body. The seat is mounted on a vehicle (the undercarriage of the motorcycle). The first portion comprises a platform (the bottom of track portion 48)) and retaining brackets (the upstanding flanges of track portion (48)) wherein track guides (58) are disposed in a space therein (see Fig, 5). The seat assembly may inherently be used on a snowmobile.

### ***Allowable Subject Matter***

3. Claims 33-35 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

### ***Response to Arguments***

4. Applicant's arguments with respect to claims 11 have been considered but are moot in view of the new ground(s) of rejection.

Art Unit: 3636

*Conclusion*

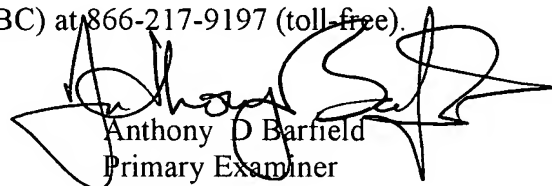

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
